<b>v.</b>	:	<b>Criminal No. 07-549-01</b>

**RESPONSE OF UNITED STATES OF AMERICA  
TO DEFENDANT’S MOTION FOR DISCLOSURE OF PROPERTY**

The United States of America, by and through its attorneys, Zane David Memeger, United States Attorney for the Eastern District of Pennsylvania, and Linwood C. Wright, Jr., and Joseph F. Minni, Assistant United States Attorneys, responds to the defendant’s Motion for Disclosure of Property filed in the above-captioned case as follows:

On December 13, 2010, the defendant, Maurice Phillips, filed a Motion seeking the return of certain items of property that were seized from his residence in Maryland by the government on September 13, 2007. The defendant seeks the return of seven specific items of property, including a laptop computer, mobile phones, a briefcase, and certain photographs.

The government does not object to the motion, and respectfully requests that this Court to allow it a reasonable period of time to assemble the property sought by the motion and return it to the defendant’s designee. However, to the extent that the defendant seeks the return of photographs that were admitted as evidence at trial, there is a continuing evidentiary need for these items as the defendant has appealed his sentence and conviction which is currently pending before the Court of Appeals. The government respectfully requests this Court to allow it a

reasonable period of time to scan and copy the photographs and provide scanned copies to the defendant's designee.

WHEREFORE, based on the foregoing, the government requests that this Court grant the motion, in part, and deny the motion, in part.

Respectfully submitted,

ZANE DAVID MEMEGER  
United States Attorney
